**Memorandum of Understanding on Cooperation Arrangements to access information on derivatives contracts held in United Kingdom trade repositories**

The Australian Securities and Investments Commission ("ASIC") and the Financial Conduct Authority ("FCA") have agreed this Memorandum of Understanding ("MoU") regarding cooperation arrangements for the access to information on derivatives contracts held in trade repositories registered in accordance with Article 55 of Regulation (EU) No 648/2012 of the European Parliament and of the Council of 4 July 2012 on OTC derivatives, central counterparties and trade repositories as it forms part of the law of England and Wales, Scotland and Northern Ireland by virtue of section 3 of the European Union (Withdrawal) Act 2018 (as amended by The Over the Counter Derivatives, Central Counterparties and Trade Repositories (Amendment, etc., and Transitional Provision) (EU Exit) Regulations 2018, The Trade Repositories (Amendment and Transitional Provision) (EU Exit) Regulations 2018, and The Central Counterparties (Amendment, etc., and Transitional Provision) (EU Exit) Regulations 2018) (respectively "UK TRs" and "UK EMIR").

Pursuant to Article 76(1) UK EMIR, relevant authorities of third countries that do not have any trade repository established in their jurisdiction may contact the FCA with a view to establishing cooperation arrangements to access information on derivatives contracts held in UK TRs.

In this respect, there is no trade repository established in Australia.

Article 76(2) UK EMIR requires the establishment of cooperation arrangements as a precondition for ASIC to access information on derivatives contracts held in UK TRs.

In addition, Article 81(3) UK EMIR also requires the establishment of cooperation arrangements as a precondition for ASIC to be provided with the necessary information by a trade repository.

Therefore, the purpose of this MoU is to enable ASIC to have direct access to information on derivatives contracts held in UK TRs that it needs to fulfil its responsibilities and mandates, while ensuring that guarantees of professional secrecy exist, including the protection of business secrets shared by ASIC with third parties.

This MoU is a statement of intent between ASIC and the FCA. It is not legally binding and it does not affect any other MoUs that ASIC has in place with the FCA.

Where the relevant functions of an Authority are transferred or assigned to another authority or authorities, the terms of this MoU will apply to the successor authority or authorities performing those relevant functions without the need for any further amendment to this MoU and notice will be provided to the other Authorities.
